Notification of Non-Compliant Appeal Brief (37 CFR 41.37)	Application No. 10/782,237	Applicant(s) CONARRO ET AL.	
	Examiner Stephen J. Castellano	Art Unit 3727	

--The MAILING DATE of this communication appears on the cover sheet with the correspondence address--

The Appeal Brief filed on 10 January 2006 is defective for failure to comply with one or more provisions of 37 CFR 41.37.

To avoid dismissal of the appeal, applicant must file a complete new brief in compliance with 37 CFR 41.37 within **ONE MONTH or THIRTY DAYS** from the mailing date of this Notification, whichever is longer. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136.**

1. ☐ The brief does not contain the items required under 37 CFR 41.37(c), or the items are not under the proper heading or in the proper order.
2. ☐ The brief does not contain a statement of the status of all claims, (e.g., rejected, allowed or confirmed, withdrawn, objected to, canceled), or does not identify the appealed claims (37 CFR 41.37(c)(1)(iii)).
3. ☐ At least one amendment has been filed subsequent to the final rejection, and the brief does not contain a statement of the status of each such amendment (37 CFR 41.37(c)(1)(iv)).
4. ☐ (a) The brief does not contain a concise explanation of the subject matter defined in each of the independent claims involved in the appeal, referring to the specification by page and line number and to the drawings, if any, by reference characters; and/or (b) the brief fails to: (1) identify, for each independent claim involved in the appeal and for each dependent claim argued separately, every means plus function and step plus function under 35 U.S.C. 112, sixth paragraph, and/or (2) set forth the structure, material, or acts described in the specification as corresponding to each claimed function with reference to the specification by page and line number, and to the drawings, if any, by reference characters (37 CFR 41.37(c)(1)(v)).
5. ☒ The brief does not contain a concise statement of each ground of rejection presented for review (37 CFR 41.37(c)(1)(vi)).
6. ☒ The brief does not present an argument under a separate heading for each ground of rejection on appeal (37 CFR 41.37(c)(1)(vii)).
7. ☐ The brief does not contain a correct copy of the appealed claims as an appendix thereto (37 CFR 41.37(c)(1)(viii)).
8. ☐ The brief does not contain copies of the evidence submitted under 37 CFR 1.130, 1.131, or 1.132 or of any other evidence entered by the examiner and relied upon by appellant in the appeal, along with a statement setting forth where in the record that evidence was entered by the examiner, as an appendix thereto (37 CFR 41.37(c)(1)(ix)).
9. ☐ The brief does not contain copies of the decisions rendered by a court or the Board in the proceeding identified in the Related Appeals and Interferences section of the brief as an appendix thereto (37 CFR 41.37(c)(1)(x)).
10. ☒ Other (including any explanation in support of the above items):

Items 5 and 6: Appellant fails to provide a ground of rejection that corresponds to the rejection made at line 11 of page 4 of the final Office action mailed September 9, 2004 wherein Claims 1-6, 10, 13 and 15-19 are rejected under 103 as being unpatentable over Pace, Young or Panta Chica in view of Cinque. This ground of rejection hasn't been addressed in the arguments section, either. Appellant has misstated all of the other 103 rejections: Claims 7-9 are rejected under 103 as being unpatentable over Pace, Young, Panta Chica or [Pace, Young or Panta Chica in view of Cinque] in view of Chantaca, Wright and Howell; Claims 11, 12 and 14 are rejected under 103 as being unpatentable over Pace, Panta Chica or [Pace or Panta Chica in view of Cinque] in view of Chantaca, Wright and Howell; and Claims 20 is rejected under 103 as being unpatentable over Pace, Young, Panta Chica or [Pace, Young or Panta Chica in view of Cinque] in view of de Cholet, Williamson and MacGregor, Jr..
